

ANDREJ SOKOLIČ

Aspiring data scientist with a wide range of interests that include using statistical models to assess the associations between attributes and to forecast new or future data; creating data products such as automated and interactive reports that allow the end user a deeper understanding of the collected data.

EDUCATION

- 2022
|
2019
- **Msc Applied Statistics**
University of Ljubljana, Faculty of Electrical Engineering
Ljubljana, SLO
 - Thesis: Comparison of statistical models for estimating the risk factors of Slovenian companies
 - **Bsc Financial Mathematics**
University of Ljubljana, Faculty of Mathematics and Physics
Ljubljana, SLO
 - Thesis: Smallest confidence intervals for one binomial proportion
